Evan,

In a memorandum you recently sent me, you complained about the disbursing of the Reston Steering Committee. Rest assured that there is going to be a committee which will be concerned with [redacted] The Office of Logistics has taken steps already to establish such a group.

The Steering Committee about which you wrote was focused on getting OD&E and FBIS [redacted]

[redacted] The Phase II committee needs to have a much broader base because they are involved in the planning and building of a new building at [redacted] which will include elements from the S&T, the DA and perhaps others.

[redacted]
